## FHPZ is Seeking Qualified Board of Director Nominations

### Nominations due Sunday May 16, 2021

Friends of High Park Zoo (FHPZ) is seeking inspired and motivated volunteer board members to oversee the activities of our organization for 2021 and 2022.

Although High Park Zoo is temporarily closed due to COVID-19, we are moving forward with the Master Plan Zoo renovations. Recently, High Park Zoo has been awarded \$2.6M in capital funding from the Canada Infrastructure Program (ICIP) to complete major infrastructure improvements. With other exciting projects on the horizon in greening the Zoo, public art, education, community outreach, partnerships, fundraising and charitable status, the Board is busier than ever!

In 2021, the Board is seeking candidates with experience in the areas of Graphic Design, Financial Acumen, Grant Writing, Development and Project Management (Construction), and Legal and Governance Matters to help realise FHPZ's Master Plan, Fundraising and Community Outreach goals. Priority areas are explained in greater detail in the Experience section on our [website](#).

If you are eligible and believe you align with the Vision, Mission and Values of FHPZ and have the passion and experience to be an effective Board member, please apply by submitting your resume and a cover letter by Sunday, May 16, 2021 at 6:00 p.m. Eastern Time. References may be requested.

**All applications must be submitted electronically to:** [info@highparkzoo.ca](mailto:info@highparkzoo.ca)

For eligibility and additional details, please visit our [website](#).
